There are 8 people in Million Dollar Quartet Christmas. Each person plays a character who is a part of the story being told.

The first character I will see on stage is **SAM PHILLIPS**. His real name is Jeff Cummings. Sam Phillips owns SUN Records and serves as the show's narrator (the person who tells the story).

This character is **CARL PERKINS**. His real name is Jeremy Sevelovitz. Carl Perkins plays the guitar and sings. Carl's brother Jay is the bass player in the show.

This character is **ELVIS PRESLEY**. His real name is Sean Buckley. Elvis Presley plays the guitar, sings, and dances. He is the boyfriend of Dyanne, another character in the show.

This character is **JERRY LEE LEWIS**. His real name is Brady Wease. Jerry Lee plays the piano, sings, and dances. He has a lot of energy and likes to talk very loud when he is feeling excited about something.

This character is **JOHNNY CASH**. His real name is Scott Moreau. Johnny Cash plays the guitar and sings. He has a very deep voice when he talks and sings.

This character is **DYANNE**. Her real name is Shelby Ringdahl. Dyanne sings and also helps to tell the story. She is Elvis Presley's girlfriend.

These characters are **“FLUKE”** and **JAY PERKINS**.
Their real names are Dave Sonneborn and Chuck Zayas.
“Fluke” plays the drums. Jay plays the upright bass.
Jay is the brother of Carl Perkins, another one of the
characters in the show.
